

iN2L

- We founded company in 1999 with the simple belief that residents should have an expectation to stay connected and engaged....senior living should be a place to live in a meaningful way
- Simply by listening to customers we discovered the power of the experience, and enhanced the experience
- The value proposition is working - currently systems in 2500+ communities, all 50 states, 96% retention rate of customers

Lets Meet Ron...
